Start dreaming again

The benefits of sleep apnea treatment are truly remarkable. Getting a good night's sleep gives you the energy to get back to doing the things you love. But one of the most inspiring things people tell us about starting CPAP is that they're able to dream again.

Congratulations on taking an important step toward getting restful sleep.

ResMed is the most widely-used and #1 mask brand preferred by patients¹, and we're excited to present the AirFit™ 20 series.

With feedback from more than 350 patients worldwide used to develop the AirFit 20 series²⁻⁵, you can feel confident that our most technologically advanced full face mask yet is also the right fit for you.

AirFit™ F20

Full face mask

Ultimate comfort and performance

The AirFit F20™ features an InfinitySeal™ cushion – the most adaptive we've ever designed – along with a soft and flexible frame that includes integrated padding. The result is a mask that comfortably moves with you and provides a reliable seal throughout the night, regardless of sleep position.

- 1 **InfinitySeal™ cushion** is proven to fit 97% of all faces.²⁻⁴
- 2 **Quick-release elbow** makes it simple to disconnect from the mask tubing without removing the mask.
- 3 **Plush headgear** is specifically designed for extra softness and stability.
- 4 **Soft and flexible frame** sits underneath the eyes and adapts to different facial types, while its integrated padding provides added softness.
- 5 **Magnetic clips** guide the headgear to the frame quickly and easily.
